BEST PRACTICE – 2

1. Title of the programme:
MERIT DAY

2. Goal:
- Inspire students for greater achievements
- To acknowledge the merit of our students
- To acknowledge the contribution of former teachers and principals.

3. Context:
Acknowledging the achievement of students and honouring the contribution of teachers will create an academic ambience and enthusiasm for greater achievement for the college. It is in this context the college organises merit day every year distributing awards, endowments and cash prizes.

4. The practice:
The following awards were distributed at the function.

- **Sivasankara Pillai Memorial Endowment** by former principal prof. Asha for the Student who secures highest mark in History .core..for BA

- **Prof k Prema endowment** for student who secures highest mark in English.

- **Prof Sreekumari teacher endowment** By prof Sreekumari, former principal for the student who secures highest mark in physics core.

- **Prof Chandrika devi endowment** by former principal prof Chandrika devi, for the best out going student.

- **PTA Merit award** for students who secured highest merit in all UG & PG courses.

- **Special award** for achievements in sports & games for students and NSS volunteers.

- **Special award** for Teacher's achievements.

5. Evidence of success:
Achievements in academics by both students and faculty, achievements in sports as well as arts, state and national level recognition won by NSS and the increase in number of PhD holders and those who register for PhD bear witness to the success of the programme.

6. Problems Encountered and resources required:
There were no real hurdles in implementing this programme . Every one was volunteering in contributing endowments and cash Prizes.
