About the Department

The Department of Economics, Govt. College Nedumangad came into existence in the year 1981. Ever since its inception the department has been in the forefront in organizing novel programmes aimed at popularizing the subject matter of Economics among the general public as well as evolving general courses of action in the matter of public policy. The College occupies a prominent place in the minds of the local population as it is the first source to quench their thirst for higher education. The Department of Economics is a very vibrant and active department with young and qualified teachers and uses the state of the art technology for teaching and learning. Department could proudly be part of the academic success the college attain in University level, and also in other extra-curricular activities that assist the students to move forward in their future life. Apart from the subject matter of Economics our students are trained in career management, skill developments, Social Science Research etc. The Department engages in various social services and extension activities that are beneficial to the society.

About Nedumangad

Located at the north-east of state capital, Nedumangad is an important centre for trade of hill and forest resources. It is close to Agasthyarkoodam the second highest peak in Kerala, which is part of the Sahyadri ranges of Mountains and at a height of 1890 m above sea level and is famous for its abundant ayurvedic herbs and medicines. Called as the City of Hill, Nedumangad is the entry point to a rich biodiversity area including Bonacaud, Ponmudi Hill Station, River Kallar, Meenmutty waterfalls, Peppara wild life sanctuary etc.
