Educational facilities	50	4.50	.505

The parents were satisfied on the educational infrastructure of the institution. However they suggested an improvement in the conduct of internal exams.

### **Decisions taken and implemented:**

Based on the feedback received from students, teachers, parents and alumni, the college academic council has decided to take the following remedial actions:

1. All departments were asked to submit the syllabus completion report before 5<sup>th</sup> of every month.
2. Unified timetable for the conduct of internal exams for all departments. The internal exams are to be conducted in the pattern of University exam. The result of the internal exams is to be submitted within one week after the conduct of all exams.
3. The department wise programs like seminars, workshops and other events are to be displayed in the college notice board and website.
4. A Question bank for students has to be maintained by every department.
5. Regular conduct of PTA meetings and the parents should be informed about the results of internal exams.
