ANEMIA SCREENING CAMP

Anaemia is a major disease in India. Statistics reveal that of every two Indian woman one is anaemic and one in every five maternal deaths is due to anaemia. It affects both adults and children of either sexes. Pregnant women and adolescent girls are more susceptible to this disease. A free “ANEMIA – Awareness, Test and Screening Camp” was organized by Gender in collaboration with the Department of Economics and Women’s Cell on 10th March 2023. The camp was inaugurated by Principal Dr. L. Alex, Principal Government College nedumangad.

The Camp commenced at 10:00 am
